

Transition words

The whole pack, for printing.

sheets.works/english/transition - words

Adding

and also too as well

Lady Macbeth shames him. She also makes murder the test of manhood.

[When you durst do it, then you were a man](#)

Contrasting

but yet still instead although

Macbeth says he will wait and let luck make him king. But he cannot wait.

Cause

because since so that

She says [When you durst do it, then you were a man](#) because she has made murder the test of being a man.

Result

so which is why that is how

He has no good reason. So he names the fall before he jumps: [Vaulting ambition, which o'erleaps itself](#).

Time

then

after

once

by Act 5

at the start

Once she said [A little water clears us of this deed](#) By Act 5 the water does nothing: [Out, damned spot, out, I say!](#)

Example

like

as in

take

Guilt that will not wash off, as in [Out, damned spot, out, I say!](#).

Concession

even though

even so

still

Even though the witches told the truth, they never told him what to do.
